###

Lawyers of Distinction shall not offer membership to more than 10% of attorneys in any given state. Lawyers of Distinction uses it own independent criteria, including both objective and subjective factors in determining if an attorney can be recognized as being within the top 10% of attorneys in the United States in their respective field. This designation is based upon the proprietary analysis of the Lawyers of Distinction organization alone, and is not intended to be endorsed by any of the 50 United States Bar Associations or The District of Columbia Bar Association.
